Forgot Password

If the user forgot the password, it will display the message between the password and log in.

The message displays in the red color of the font. Step for the user to reset their password by clicking the "Forgot Password?" link.

After the user clicks on the link button, it will redirect to the page where the user can reset the password via email address. When the email address has been filled in, click the "Send Password Reset Link" button.

Reset Password	
E-Mail Address	
Send Password Reset Link	Home
	_

Click the "Home" button and log in with the new password that has been reset.
